PHOENIX PHONE CASE

ROCKXLCASE

Colours: Black, red, white and pink

Keep your Smartphone always well protected

The new ROCKXLCASE is a protective slim cover case specially designed for your Phoenix 5.5” Rock XL Smartphone. It is also compatible with most 5.5 inches' smartphones. The RockXLCase slim cover will perfectly fit your smartphone protecting it in a practical and safe way.

This lightweight and stylish slim case features a double back cover which guarantees the highest protection and security. The back cover is composed of a plastic inner part which fits your smartphone’s body and a synthetic leather outer case.

Equipped with a magnetized closure, its front part will protect your smartphone’s screen reducing the risk of potential hits and scratches.

Note: This new Phoenix slim cover case is also available in Red, White and Pink.
